# Baggage allowance

## Carry-on baggage

Your carry-on bag must be light enough that you can store it in the overhead bin unassisted. On flights operated by Air Canada, Air Canada Rouge or Air Canada Express, you may carry with you in the cabin 1 standard item (max. size: 23 x 40 x 55 cm [9 x 15.5 x 21.5 in]) and 1 personal item (max. size: 16 x 33 x 43 cm [6 x 13 x 17 in]).

**Economy Basic fares purchased on/after January 3, 2025:** On flights within North America and to sun destinations, Economy Basic fares (where available) allow for only 1 personal item on board. Any additional bags will need to be checked in for a fee at the airport. **Exception:** Aeroplan Elite Status Members, Star Alliance Gold Members and Aeroplan Premium Credit Cardholders may continue to bring one (1) standard carry-on bag on board when travelling on an Economy Basic fare. This benefit extends to all passengers booked on the same reservation, up to a maximum of nine (9) travellers. The Aeroplan Elite Status, Star Alliance Gold Status, or Aeroplan premium credit card must be valid at time of check-in.

See our complete [carry-on baggage policy](#). A reminder also that, if your itinerary includes a flight operated by one of our [Star Alliance or other airline partners](#), you must comply with their carry-on rules.

Please notify us immediately if you do not plan on taking your scheduled flight(s). If you are unable to change or cancel your booking online, you can reach Air Canada Reservations at 1-888-247-2262 (view [international and other numbers](#)). If you do not show up for your flight, the rest of your itinerary will automatically be cancelled.

Disclaimer: The fare rules displayed above are for adult passengers only. Different rules may apply for children and infant passengers.

# **! General conditions of carriage**

1. You must obtain your boarding pass and check in any baggage by the check-in deadline. Additionally, you must be available for boarding at the boarding gate by the boarding gate deadline. Failure to respect check-in and boarding gate deadlines may result in the reassignment of any pre-reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.
2. Although reconfirmation of flights is not required, we strongly recommend that you check your flight status online at [aircanada.com](#).
3. Advance seat assignments are not guaranteed and may change without notice. If your pre-assigned seat is unavailable, we will try to accommodate you in a comparable seat in the same class of service and will refund any applicable fees.
4. Any travel credit banked for unused tickets is non-transferable: when the credit is redeemed, it must be used by the same person whose name appears on the original ticket.
5. Air Canada will cancel any purchased ticket and provide a full refund without penalty up to 24 hours after purchase. Beyond 24 hours, voluntary changes to your itinerary may require the payment of additional fees and fare upgrades. If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance.
6. **Dangerous goods**  
For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods include, but are not limited to: compressed gases, corrosives, explosives, flammable liquids and solids, radioactive materials, oxidizing materials, poisons, infectious substances, and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the Restricted and Prohibited Items page on our website for more information.
7. **International travel**  
Governments may require your carrier to provide information on or permit access to passenger data. You cannot travel if you do not have all required travel documents, such as a passport and visa (where applicable), to enter in or transit through each country/region on your itinerary. Please refer to the [Travel Documents](#) page on our website for more information.
8. **In-flight health**  
Most people are fit to travel by air, but special attention is required for passengers whose health problems may be exacerbated by altitude, travel stress, hypoxia and other travel related difficulties. Our website offers important health tips and information for customers with special needs who may require medical approval before flying. Please also note that aircraft disinsection is carried out on certain routes, in compliance with the requirements of the World Health Organization (WHO), the International Civil Aviation Organization, Transport Canada and applicable foreign regulatory authorities. More information is available on our website.
9. **Schedules and timetables**  
Time and aircraft type shown in timetables or elsewhere are approximate and not guaranteed, and form no part of the contract. Schedules are subject to change without notice and carrier assumes no responsibility for passenger making connections not included as part of the itinerary set out in the ticket. Carrier is not responsible for changes, errors or omissions either in timetables or other representations of schedules.
10. **Overbooking notice**  
Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at all airport ticket counters and boarding locations.
11. **Notice of liability limitations**  
The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss, delay, or damage to baggage.

Where the Montreal Convention applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury of passengers.
2. In respect of destruction, loss of, or damage or delay to baggage 1,519 Special Drawing Rights (approximately EUR 1,900; US \$2,000) per passenger in most cases.
3. In respect of damage occasioned by delay in the carriage of persons 6,303 Special Drawing Rights (approximately EUR 7,700; US \$8,300) per passenger in most cases.

Where the Warsaw Convention system applies, the limits of liability are as follows:

1. 16,600 Special Drawing Rights with respect to death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and U.S. regulations require that, for journeys to, from or with an agreed stopping place in the U.S., the limit may not be inferior to U.S. \$75,000.
2. 17 Special Drawing Rights per kg for loss of or damage or delay to checked baggage and 332 Special Drawing Rights\* for unchecked baggage.
3. The carrier may also be liable for damage caused by delay.

For more information on Special Drawing Rights and currency exchange rates, visit the [International Monetary Fund](#) website.

Further information may be obtained from Air Canada as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss, delay, or damage to baggage by making a declaration of your baggage value at check-in and paying any supplementary fee that may apply. Alternatively, if your baggage value exceeds the applicable limit of liability, you should fully insure it before you travel.

**Time limit for action:** Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

**Baggage claims:** Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

NOTICE - SOLD SUBJECT TO APPLICABLE TARIFFS

## **! Air Passenger Protection Regulations Notice:**

If you are denied boarding, your flight is cancelled or delayed for at least three hours, or your baggage is lost or damaged, you may be entitled to certain standards of treatment and compensation under the *Air Passenger Protection Regulation*. For more information about your passenger rights please contact your air carrier or visit the Canadian Transportation Agency's website.

General terms and conditions pertaining to flight delays, cancellations, denied boarding, seating of children and lost or damaged baggage can be found in Air Canada's [General Conditions of Carriage and Tariffs](#).
